

Online: Banner Advertising

Home Page Banners

Take advantage of the highest-profile spaces on our website with banner ads on our home page. We offer extensive frequency and package discounts (up to 50% savings) to advertisers who order multiple ads or who combine their online advertising with a print or email campaign. Contact Dave Friedman, friedman@agma.org for a custom quotation that meets your specific marketing goals.

Home Page Sponsored Content	HTML including image, headline and description	\$995 per month	Great for promoting white papers or videos! Includes registration page and sales leads from those who access the content

Targeted Keyword Advertising

On geartechnology.com, related content is displayed throughout the site, and that includes advertising. We offer targeted keyword advertising for the following high-volume search terms:

- BEVEL GEARS
- CUTTING TOOLS
- GEAR DESIGN
- GRINDING
- HEAT TREATING
- HOBBING
- INSPECTION

When a visitor is on a page related to one of these keywords, whether it's a news item, a technical article or a feature article, your ad can now appear next to this related content. Only three positions are available for

Sponsored Content (Native Advertising)

In addition to our regular banner ads, we also offer sponsored content (native advertising) opportunities, which are great for your white papers, videos, webinars or other technical content that's suited to our audience.

Sponsored content can appear on our home page, in our e-mail newsletters (as a featured article), and in our internal site search engine results.

Sponsored Content (Native Advertising) on the *gear*technology.com HOME PAGE (\$995/month)

Place your educational white paper, article or video right on our home page, in the featured content section alongside our regular articles. There is a maximum of ONE sponsored content ad available on the home page at any given time.

Your sponsored content will appear in our site search results when visitors are looking for related content.

Your sponsored content also comes with automatic lead capture. We'll make sure you know who has looked at your content by asking visitors to fill out a brief form on the way in. (NOTE: Form fields are customizable at no extra charge.)

What Do You Need to Provide?

- The Content—This can be a PDF article or a Word Document (we will prepare Word Documents as HTML articles). If your featured content is a video, you should supply us with a YouTube embed code, mpeg or wmv file.
- Featured Image - 1000 × 600 pixels, jpg format preferred.
- Headline - 10 words or less.
- Blurb - 50 words or less.

Lead Capture Requirements—We will normally capture Name, Title, Company Name and E-mail address. If you require additional fields, please let us know.

Contact Dave Friedman, Associate Publisher & Sales Manager, friedman@agma.org for additional information.

The screenshot shows the 'Features' section of the gear technology.com homepage. A red arrow points to a featured article titled 'LK Metrology Offers Remote Monitoring Platform' by Jane Doe, dated 01/01/2021. Below it is another article titled 'QuesTek Awarded Three Projects for...'. A 'SPONSORED BY AGMA' badge is visible on the QuesTek article.

The screenshot shows the gear technology.com homepage with a lead capture form for 'The Basics of Gear Design' by XYZ Co. The form includes fields for Name (*required), Company, E-mail (*required), and Phone (optional), along with a Submit button. A thumbnail image of the book cover is displayed to the right of the form.
