MACHINES**

BRAND NEW GEAR MACHINES

- very attractive prices
- immediate delivery available
- 75 different models of shapers, hobbers, shavers, honers, grinders, hob sharpeners, and inspection equipment

You can afford a new Wolf gear machine.

ALL MACHINES IN STOCK

Model GH8-6A
High Production
Gear Hobber
\$80,995
8" Diameter
6" Face

Model GH32-11
High Production
Gear Hobber
\$59,395
32" Diameter
11" or 19" Face

Model GS10-2.75HS

High Precision
Gear Shaper
\$64,795
10" Diameter

CNC Model \$159,995

over 35 years experience in gears and gear equipment

...always ahead of the pack!

TECHNICAL CALENDAR

January 19-21. Orlando Advanced Productivity Exposition. Orange County Convention Center, Orlando, FL. Florida's largest machine tool and metalworking convention will feature more than 130 exhibitors, including machine tool builders, regional distributors and others. Sponsored by the Society of Manufacturing Engineers. Call (313) 271-1500, fax (313) 271-2861 or send e-mail to lipndav@sme.org for more information.

January 25-28. Gleason Pfauter Hurth Basic Fundamentals. Loves Park, IL. This four-day program is designed for those new to gear making who are seeking a basic understanding of gear geometry, nomenclature, manufacturing and inspection. Also runs February 15-18. For more information call (815) 877-8900 or visit www.pfauter.com.

February 19. Call for Papers. Deadline for submissions to the upcoming System Solutions with Mechanical Components conference to be held Sept. 21-29, 1999 in Baden-Baden, Germany. The conference focuses on developing innovative products and processes that improve efficiency and/or reduce costs or development cycles in the fields of mechanical, plant and vehicle engineering. For more information, contact VDI-EKV at ++(49) 211-6214-239 or ennulat@vdi.de.

March 2-4. Nashville Advanced Productivity Expo. Nashville Convention Center, Nashville, TN. The largest machine tool and manufacturing expo in the mid-South will have more than 250 machine tool builders and regional distributors. Sponsored by the Society of Manufacturing Engineers. Call (313) 271-1500, fax (313) 271-2861 or send e-mail to lipndav@sme.org for more information.

March 4. AGMA Annual Meeting. Westin Mission Hills Resort, Rancho Mirage, CA. Opportunity for networking and learning about industry trends and ways to stay competitive in today's gear industry. For more information contact AGMA at (703) 684-0211 or visit www.agma.org.

March 16-18. 4th World Congress on Gearing and Power Transmission. CNIT Paris La Defense, France. Learn about the current trends in design, materials, heat treatment, manufacturing and applications of mechanical transmissions. Nearly 200 presentations on cylindrical gears, worm gears, bevel gears, plastic gears, sintered gears, bearings, chains, belts and other power transmission components and systems. Contact Maryse Deleris, congress director at MCI, 19 Rue d'Athènes, 75009 Paris, France or unitram@iway.fr.
