The continued success of *Gear Technology* depends entirely upon you, the reader. More specifically, our success depends on knowing who you are, where you work and how you're involved in the gear industry. That means subscribing or renewing your subscription.

Please help us continue being the world's best resource for the gear industry by visiting <https://admin.geartechnology.com/subscribe.php> and filling out the form. It will only take a minute or two, and you'll be doing your part to help us stay on top of our game.

It's important to do this, even if you think you've recently subscribed. Our goal is to make sure we have the most accurate, up-to-date information possible, and we can't do it without you.

If you have the time, you can help us even more by sending this QR code to your coworkers and colleagues in the gear industry. Help them take advantage of "The Gear Industry's Information Source," too.

Thank you for your continued support.
