# 4 REASONS TO USE COLONIAL TOOL GROUP, INC.

## 1 SPLINE ROLLING RACKS

- Threads, Helical and involute
- Straight or Tapered Splines on Shafts & Production Rolling

## 2 HELICAL/SPIRAL BROACHES

- Large and Small Diameters
- Special Forms
- CNC Manufactured
- Quick delivery

## 3 LARGE DIAMETER BROACH TOOLS

- Large Involute Splines
- 12" Diameter X 105" O.A.L.
- In House Heat Treatment
- CNC Manufactured

## 4 BROACHING MACHINES

- CNC Helical/ Table Up, Pull Down, Surface and Horizontal
- Complete Turnkey Setups
