## TECHNICAL CALENDAR

**September 6-13. The International Manufacturing Technology Show (IMTS).** McCormick Place, Chicago, IL. The 2000 show features ten exhibit pavilions, Student Summit, keynote speakers and an expanded manufacturing conference. See our coverage on page 47. For additional details log onto [www.imts.org](http://www.imts.org) or call (703) 893-2900.

**September 10-13. 8<sup>th</sup> International ASME Power Transmission and Gearing Conference.** Omni Inner Harbor Hotel, Baltimore, MD. Hear from top researchers from around the world as they present their latest work in the fields of gearing and power transmission. For information contact Neil Anderson, the conference chairman, at (248) 688-2369 or log onto the conference website at [www.enme.umd.edu/asme2000](http://www.enme.umd.edu/asme2000).

**September 26-27. Society of Manufacturing Engineers Conferences.** Holiday Inn, Indianapolis, IN. SME's Conferencing Division is hosting two seminars. On September 26, SME will present "Understanding Gear Metrology." On September 27, SME will present "Manufacturing of Plastic Gears." To register for a program, or to get more information, contact SME at (800) 733-4763.

**October 10-12. International Manufacturing Enterprise Technology Expo.** Rosemont Convention Center, Rosemont, IL. IMET 2000 focuses on computers in manufacturing, enterprise systems, motion systems and industrial equipment and maintenance. For more information visit [www.imetexpo.com](http://www.imetexpo.com) or call (800) 964-9665. ⚙
