SPECIALTY STEEL TREATING, Inc.

Services

- Gas Carburize
- Vacuum Carburize
- Press & Plug Quench
- Vacuum Heat Treat
- Neutral Hardening
- Gas Nitriding
- And much more...

Quality Accreditations

- TS 16949
- AS9100
- Nadcap
- ISO 9001

Woman Owned Business

Quick Overview:

Since 1956, Specialty Steel Treating has evolved to become the leader in precision heat treating and operates in six (6) different facilities totaling over 200,000 square feet of manufacturing space. As a company we pride ourselves in process innovation, supply chain management and customer service with keeping quality and integrity to our customers the number one priority. We are proudly serving the aerospace, automotive, off road truck and bus and medical markets along with several other niche segments.
